Dear Mr Gunderson

Enclosed please find three copies of the draft Decommissioning Program Plan (DPP) for the Rocky Flats Environmental Technology Site. This version of the DPP, dated April 10, 1998, addresses most of the written comments submitted by your staff on the previous version of the DPP, and as agreed, it is being transmitted for public comment and approval by Colorado Department of Public Health and Environment and the Environmental Protection Agency (EPA)

Also as agreed, the DPP will undergo a sixty-day public comment period. We will work with your staff, EPA, and interested stakeholders, such as the Rocky Flats Citizens' Advisory Board, during the public comment period to address questions and issues.

Thank you for your assistance in this matter. If you have any questions regarding the DPP, please call John Rampe at 966-6246.
